PHOENIXALGOS SUBSCRIPTION TIERS, PAPER TRADING & '30+30' TRIAL GUIDE

Free Forever Paper Trading, '30+30' Live Trial Framework & Tier Architecture

Official Self-Help Documentation • Certified Technical Manual

1. Core Philosophy: Risk-Free Strategy Validation

Disciplined traders should never risk real capital or pay high software fees just to test a quantitative strategy. PhoenixAlgos provides Free Forever Paper Trading ($100k simulation), up to 60 days of free live broker testing, and transparent paid plans.

2. The '30 Days Base + 30 Days Bonus' Trial Framework

- 30 Days Base Free Trial: Connecting a live brokerage unlocks 30 full days of Pro Tier features ($59/mo value) free.
- +30 Days Bonus (60 Days Total): Complete 5 automated trades or submit quick product feedback to instantly double your trial duration.
- Zero Automatic Billing: Accounts safely revert to Free Forever Paper Trading upon trial completion with zero unwanted charges.

3. The $19 / $59 / $99 Paid Feature Ladder

- Basic ($19/mo): 1 live brokerage, 30 webhooks/min, daily rotation recommendations, daily quant bias.
- Pro ($59/mo): 3 live brokerages, 120 webhooks/min, automated auto-swap, full 80% stacking prediction cone, dynamic SQQQ sizing.
- Institutional VIP ($99/mo): Unlimited accounts, dedicated core, sub-second execution, raw ML APIs, 1-on-1 Zoom desk.
